Subject RE: Ueno working files 

Mr. Hogan,

Your e-mail confuses me. First of all, which expert? I am going to presume you are talking about Mr. Kinrich, our economics expert. If so, I refer to you Exhibits 1-5 of Mr. Kinrich's report, which was previously produced to you, and in particular Exhibit 2 ("Documents Relied Upon"). I believe Exhibit 2 is sufficiently descriptive to allow you to figure out what has been provided to Mr. Kinrich and find most if not all of the materials among documents you already have. I will also refer you to the May 19, 2005 e-mail below. I believe you have already received copies of over 200 pages of materials provided to Mr. Kinrich.

In any event, to directly answer your question, reasonably in advance of Mr. Kinrich's deposition we will voluntarily supplement our production as necessary so that you have a complete set of Mr. Kinrich's working files. Please let us know if and when you would like to depose Mr. Kinrich. Also, please be advised that Mr. Kinrich has prior commitments and will be out of the office from July 12-26.

Thank you for your attention to these matters.

Subject PCT-B JK 00001-00234

Mr. Hogan,

I am leaving PCT-B JK 00001-00234 for Ms. Lopez to produce to you tomorrow, with the exception of page 00006, which contains communications between K&E counsel and staff members and was inadvertently numbered.

Thank you for your attention to these matters.

I note your expert had no supporting documentation. Please advise me if I am correct. If he did, will you voluntarily produce it?

Subject: Ueno working files

Mr. Hogan,

As we discussed today in front of Mr. Matsui, we would like the Ueno working files delivered to Lex Smith's office no later than July 15, 2005. Please investigate this situation and share your thoughts as soon as possible. If you need additional paperwork from Lex's office, please advise immediately. Thank you for your prompt attention to these matters.
